Dear Parents:

We at the **MVP School of Basketball** are very enthused about our relationship with Bentley University and Athletic Director Bob DeFelice. Bentley University provides us with a beautiful collegiate setting with facilities that rank with the best in the nation. A wonderful field house with an excellent basketball playing facility along with 12 outdoor courts adjacent to the field house gives the **MVP School of Basketball** the best of facilities found anywhere. A full fledged athletic training facility along with a full-time athletic trainer will give the MVP School of Basketball the best training and care.

At the **MVP School of Basketball**, we believe basketball to be a game which blends initiative and teamwork, teaches loyalty and leadership and also promotes discipline. It is a camp that teaches youngsters to control and command their own powers, to think fast and to use all of their energy, strength, and courage to become a better player.

At our camp, we teach each youngster team spirit, self discipline, pride, and hopefully confidence. The **MVP School of Basketball** will develop a competitive spirit among its campers while teaching the value of hard work.

The success of any athletic team is **DISCIPLINE**. It is the ability to respect and abide by a set of rules. Therefore, through discipline, we teach all youngsters the value of fundamentals.

As Camp Directors, we have over 50 years of combined basketball experience; as Educators, we have over 60 years of teaching experience; and as parents we have many years of parenting experience. Give us a chance to help your child for we know they will love the competitive spirit, enthusiasm and the quality of instructors at our camp.

We think your child's experience at **MVP School of Basketball** will be worthwhile and rewarding.

Believe us, it's a great low investment to become a better player. Hope to see you at **MVP**.

Your Directors,

Ed Miller, Bob Fisher
